Immediate Release

Hughes Road from Gooch Lane to Eastview Drive

Madison, AL – The City of Madison, in coordination with Madison Utilities, would like to inform residents that beginning today, Wednesday, January 18, 2017 crews will be upgrading water and sewer infrastructure along Hughes Road from Gooch Lane to Eastview Drive.

Construction activity along this portion of roadway will be on-going through April of 2017 and will not require the roadway to be closed, but may require intermittent lane closures.

Motorists are urged to drive with extreme caution in this area, paying special attention to road crews, signage and roadway conditions.

We appreciate your patience as we continue to improve the infrastructure within the City of Madison.

If you have any questions or comments, please contact Reed Contracting at 256-533-0505.
