Town Madison Infrastructure

Madison, AL – Construction of the 500-acre Town Madison mixed-use development and interstate access located at I-565 and Zierdt Road is currently underway. Rock removal (blasting) operations will occur during daytime hours over several months as the project progresses.

Thursday, March 9, 2017, at approximately 2:45 p.m. officers will stop traffic on I-565 East and West for approximately 2-3 minutes while blasting occurs. Future traffic interruptions will be minimal but may occur when blasting is within close proximity of roadways.

If you have any questions or need additional information related to these operations, please contact Jenny Spain at 256-772-8431 or by email at jenny.spain@madisonal.gov
